- 4. Entry Fee: A NONREFUNDABLE entry fee of \$150.00 (GST included) per bull plus a \$10.60 (GST included) Annual Membership Fee per Breeding/Consignor Unit per breed,** payable to the Alberta Cattle Breeders Association is due at the time of entry. The membership fee per breeding unit is required regardless of the number of entities within the breeding unit. The entry fee paid by the contributor to the Alberta Cattle Breeders Association will be forfeited and remain the sole property of the Alberta Cattle Breeders Association if the bull is culled, rejected, or if entries are cancelled after the official closing date of Friday, December 7<sup>th</sup>, 2007.
- 5. In view of the \$150 entry fee, \$100 of that fee is prepaid commission. A sale commission of 8% of the last dollar bid will be in effect.**
- 6. A non-refundable entry fee for bulls not comply with the standards of entry to the sale (*no refund on vet outs*). In order to facilitate stabling,**

Bulls not bred by the contributor and bred in Alberta must be **owned, transferred and certificate issued "Canadian Pedigree" in the contributor's name before the entry closing date.** Bulls not bred in Alberta and owned by a contributor, **must be transferred and certificate issued "Canadian Pedigree" in the contributor's name before entry closing date.** In the case where a bull has multiple owners, the transfer rules indicated previously apply to all owners listed on the registration paper.

10. **Membership Fee:** A \$10.60 (GST included) Membership Fee per Breeding/Consignor Unit is required regardless of the number of entries within the Breeding/Consignor Unit, thus allowing *ONE VOTING MEMBER PER BREEDING/CONSIGNOR UNIT* (or in the case where a Breeding/Consignor unit has multi breeds they would be allowed a vote for each paid membership). However, persons interested in the cattle industry in Alberta, although not breeders or cattle owners, may join the Association as Associate Members, upon payment of \$10.60 (GST included) per year. Such Associate Members may attend the meeting of the Association, and take part in the discussions but will not be eligible for office, and may not vote.

To ensure this clause is being complied with, a statutory declaration may be required. Any products/solutions/liquids administered internally or externally to alter the conformation or weight of the animal is prohibited.
14. **Bedding:** In order to establish uniformity of exhibits, no platforms or sand will be allowed under bulls in the Agriculture Barn. Shavings, straw, woodchips and pliable matting may be used for bedding. Initial bedding will be supplied and shavings are available at the barn. A deduction of \$7.42 per bull weighed will be paid to the Alberta Cattle Breeders. Special lighting is not allowed. 3. All bulls should be in good health and condition before being shipped to the sale, as culling will be severe.
