Facsimiled entry forms will not be accepted. Substitution requests will be accepted** and must be received in writing in the Agriculture Entries Office by 4:00 pm on **February 19, 2010**. 3. **All entries to the Calgary Bull Sale must be accompanied by the entry fee and a certificate of registration issued by the respective breed association. This certificate must include a signature authorizing transfer of ownership. The date of issue and the date of transfer must be dated prior to entry closing date of December 4<sup>th</sup>, 2009.**
4. **Entry Fee: A NONREFUNDABLE entry fee of \$150.00 (GST included) per bull plus a \$10.50 (GST included) Annual Membership Fee per Breeding/Consignor Unit per breed, payable to the Alberta Cattle Breeders Association is due at the time of entry. The membership fee per breeding unit is required regardless of the number of entities within the breeding unit. The entry fee paid by the contributor to the Alberta Cattle Breeders Association will be forfeited and remain the sole property of the Alberta Cattle Breeders Association if the bull is culled, rejected, or if entries are cancelled after the official closing date of Friday, December 4<sup>th</sup>, 2009.**
5. **In view of the \$150 entry fee, \$100 of that fee is prepaid commission. A sale commission of 8% of the last dollar bid will be in effect.**
6. **Non-refundable** entry fee for bulls not complying with the standards of entry to the sale (**no refund on vet outs**). In order to facilitate stabling, **please notify the office of your withdrawal.**
7. **Conditions of Entry:** The Canadian registration certificate in compliance with the individual breed association and an application for transfer on the proper form, duly signed in ink, with the name of the transferee left blank, must accompany the application for entry, or the entry will be returned.

- 8. Members Must Own Entries:** Each bull entered must be the property of a member of the Association who is a bona-fide resident of Alberta and who is conducting a livestock breeding establishment of the breed in Alberta. Bulls not bred by the contributor and bred in Alberta must be **owned, transferred and have been issued a "Canadian Pedigree Certificate" in the contributor's name before the entry closing date.** In the case where a bull has multiple owners, the transfer rules indicated previously apply to all owners listed on the registration paper.
- 9. Parking Fee:** A parking pass is available on the entry form for a cost of **\$48.00** (GST included) per vehicle and guarantees preferred parking for the Calgary Bull Sale. The parking pass (es) will be mailed to exhibitors. If more than one vehicle is to be used, additional parking passes should be purchased on the entry form.
- 10. Membership Fee:** A \$10.50 (GST included) Membership Fee per Breeding/Consignor Unit is required regardless of the number of entries within the Breeding/Consignor Unit, thus allowing *ONE VOTING MEMBER PER BREEDING/CONSIGNOR UNIT* (or in the case where a Breeding/Consignor unit has multi breeds they would be allowed a vote for each paid membership). However, persons interested in the cattle industry in Alberta, although not breeders or cattle owners, may join the Association as Associate Members, upon payment of \$10.50 (GST included) per year. Such Associate Members may attend the meeting of the Association, and take part in the discussions but will not be eligible for office, and may not vote.
- 11. Stalling:** Consignors will be allowed to tie their bulls together where one fitting organization is fitting the entire string. **Please indicate on the entry form or call the office prior to February 22<sup>nd</sup> to request particular stalling requirements.** All consignors with bulls remaining in the Agricultural Building after 12:00 noon on FRIDAY, MARCH 5, 2010 must make arrangements with the ACBA.

- 13. Tampering:** There will be no tampering with stall allotments allowed. Unnatural practices in fitting will not be tolerated, and all cattle entered for competition shall be presented in the judging ring and/or sale ring in their natural conformation and natural physical condition. To ensure this clause is being complied with, a statutory declaration may be required. Products/solutions/liquids administered internally or externally to alter the conformation or weight of the animal is prohibited.

- 14. Bedding:** In order to establish uniformity of exhibits, no platforms or sand will be allowed under bulls in the Agriculture Barn. Shavings, straw, woodchips and pliable matting may be used for bedding. Initial bedding will be supplied and shavings are available at the barn. A deduction of **\$15.00 (including GST) per bull weighed** will be paid to the Alberta Cattle Breeders. Special lighting is not allowed. Feed and bedding must be kept to a minimum in the barn as it constitutes a fire hazard. A fine will be levied on the exhibitor if the ruling is not adhered to.
- 15. Temperament of Bulls:** Any bull that, in the opinion of the Alberta Cattle Breeders' Association, is deemed uncontrollable or exhibits a temperament that may cause injury or damage will be asked to leave the premises.
- 16. Breeding Unit:** All registered animals, whether owned by one person or by more than one person, which are maintained on one farm, are considered to be the production of one breeding unit. Where more than 1 person or family member is part of an existing unit, they may consign under their individual name and sell with the existing breeding unit or individually in there alphabetical rotation.
- 17. Breeding Unit Name Change:** All entries made under one breeding or consignor unit will show and sell together and be catalogued under the breeding unit name. Anyone having previously entered the Calgary Bull Sale under one Breeding Unit Name, must forward a written application one year prior to the sale, to the Alberta Cattle Breeders Board of Directors for approval if they wish to change the breeding unit name.
- 18. Age of Bulls:** No animal born prior to *January 1, 2007* or later than March 31, 2009 shall be eligible for entry.

3. All bulls should be in good health and condition before being shipped to the sale, as culling will be severe.
4. The entry fee paid by the consignor to the Association in respect of any such animals removed or rejected as aforesaid shall belong to and remain the sole property of the Association.

5. **Alberta Livestock Manifest:** All bulls will be brand inspected and a current livestock manifest must be presented at the weigh scale.
6. **Tattoo Inspection:** The tattoo of each animal will be checked by the Inspector. Unless the tattoo corresponds with the pedigree **and is legible to the inspector**, the animal will be refused entry. The inspector's decision as to the legibility of the tattoo is final. **Once a bull has been examined at the scale, there will be absolutely no re-tattooing.**

### Section V: Weighing and Measuring Bulls

1. **Weighing of Bulls:** Bulls **will not** be allowed in the barn before Monday, *March 1, 2010*. All bulls **must** be in the barn by **4:00 pm** on **Monday, March 1, 2010** and **weighed by 8:00 pm on Monday, March 1, 2010**. There are no WPDA requirements for three-year-old bulls.
3. **Birth Weights:** Birth weights may be noted on the official entry form. If they are not available, please mark N/A on the entry form. Birth weights, if available, will be posted on the official stall card at the 2010 Calgary Bull Sale. Birth weights recorded on registration certificates will be transferred to stall cards.

### **Section VI: Breeding Guarantee**

1. Should a bull fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the consignor within six months following date of purchase. If satisfactory agreement cannot be reached between buyer and seller, the Association will attempt to mediate a settlement.
2. **Association is Agent Only:** It is to be clearly understood that the Association is only acting as a medium between the buyer and seller. The Association is not in any way responsible for failure on the part of either party to live up to their obligations, neither does the Association assume any financial obligations to collect or enforce collection of monies between parties, and any legal action taken in exceptional cases, must be between the buyer and seller.
3. The consignor is not responsible for damage caused by foreign bodies after the bull is sold or for sickness not apparent at sale time.
4. All transportation charges on bulls returned to the consignor are the responsibility of the purchaser. No incidental expenses such as feed, care, veterinary charges, etc., will be charged by either party when making settlement.

## Section VII: Catalogue and Sale Order

These groups rotate annually, by moving the group selling first in a given year, to the end the following year. Further, the letters in each of the four groups also rotate annually by moving the letter appearing last in a given year, to the beginning the following year. The following will be treated as one letter: IJK, PQ, UV, and XYZ. In 2010 the entries will be catalogued and sold in the following order: **(M, N, PQ, R,) (T, UV, W, XYZ, S) AND (C, D, E, A, B) (H, IJK, L, F, G),**

Any loss resulting from such resale and all other expenses arising from this are payable by the original purchaser. All settlements must be made before any animal is released.

Cheques will be available for pick up on **TUESDAY, MARCH 9, 2010** in the Agriculture Department of the Calgary Exhibition and Stampede, 2nd level, Agriculture Building. Cheques, which have not been picked up will be **mailed on WEDNESDAY, MARCH 10**, provided registration paper(s) and transfer(s) are in order.
